BIO: include a brief statement about your experience, twisting style, areas of expertise and teaching experience

On a separate sheet, please list at least two (2) classes you would like to teach and a Master Class (if you are interested). If you include more than 2 classes, the T&S producers will chose those that fit best into the curriculum. Include class titles and a descriptive paragraph for use on the T&S website. Please give as much information and the best paragraph possible. You may include photos if you wish.
